ADULT EDUCATION

All adult education programs, courses and classes and their enrollment period shall be listed in the
district's catalog of adult education classes provided to the public. (Education Code 52523)

Enrollment

Adults shall have first priority for enrollment in any adult education class, provided they enroll during
the regular enrollment period. (Education Code 52523)

High school students shall be permitted to enroll in an adult education program, course or class for
sound educational purposes. Such classes shall not supplant the regular high school curriculum.
Enrollment purposes include, but are not limited to, the following: (Education Code 52523)

   educational experience.

High school students are expected to enroll in regular high school classes before seeking admission to
any similar classes offered in the adult education program. A failed course, however, may be repeated
through adult education.

Before enrolling in an adult education class, the high school student must complete a counseling session
with his/her parent/guardian and a certificated representative of the high school. The certificated high
school representative shall arrange this meeting and ensure that the student's school record includes
written documentation of the meeting, including the following statements: (Education Code 52500.1)

representative
