

Culver City Unified School District

2025-05 District Wide Jetting for Underground Utilities

ADDENDUM #1

06/06/2025

This Addendum has been prepared to clarify, modify, delete, or add to the drawings and/or specifications for the above referenced project, and revisions to items listed here shall supersede description thereof prior to the date stated above. All conditions not specifically referenced here shall remain the same. It is the obligation of the Prime Contractor to make subcontractors aware of any items herein that may affect submitted bids.

Acknowledge receipt of this addendum by inserting its number and date in the bidding documents. Failure to do so may subject bidder to disqualification.

For all addendum items refer to the below items, the plans, and specifications, unless specifically noted otherwise.
