

Dear CCUSD staff:

CCUSD administration, working in conjunction with CCFT and ACE leadership, have jointly determined to extend the COVID-19 vaccine mandate deadline. The new deadline to receive the first dose of the COVID-19 vaccine will be **Tuesday, January 18, 2022.**

This new deadline will:

- Allow our staff members to get through the winter holidays without economic hardship;
- Provide for continuity of the instructional program for our students through the end of the first semester.

Our additional safety practices, along with masking and weekly testing, will continue to be in place.

The corresponding deadline for exemption requests is also extended. Exemption requests will continue to be accepted by Human Resources through December 10th and all denials/approvals will be provided by December 16th.

On behalf of ACE, CCFT and District Administration, we would like to thank you for your understanding in this matter.

If you have any questions or need clarification, please contact me at josealarcon@CCUSD.org.

Thank you,

Jose A. Alarcon
