Ballona Creek Bikeway & Landscaping Project,  
P-900, Federal Aid No. ESPL 5240 (021)

Project Schedule:  
Start – September 20, 2010  
Completion – January, 2011

Project Scope:

This is to advise you that the City has approved a Public Works project along Ballona Creek bike path from Overland Avenue to the Pedestrian Bridge. The project is designed to transform the bike path utilizing the following improvements:

• Removal of the concrete embankment along the upslope side of the bike path (between the bike path and the school properties) and will be replaced with a new decorative retaining wall, terraced landscaping utilizing drought tolerant and native plants with irrigation system, and a meandering pedestrian path;
• Installation of new fencing and decorative entry gate at the service road/bike path entrance to the creek located off Overland Avenue and adjacent to the library building;
• Repave the existing asphalt bike path from Overland Avenue to the Pedestrian Bridge; and
• Installation of new pedestrian lighting, emergency “call-boxes,” security cameras, bio-swale, and educational display and signage along the project limits.

Bikepath Closure:

The bike path between Overland Avenue and Pedestrian Bridge will be closed for pedestrian and bicycle traffic during the duration of the construction. Please observe posted detours and construction signs.
