For breach or violation of this warranty, the District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage fee, gift, or contingency.

#### Article 17. Entire Agreement/Modification

This Agreement, including the Exhibits hereto, supersedes all previous contracts and constitutes the entire understanding of the Parties hereto. Program Manager shall be entitled to no other benefits than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both Parties. Program Manager specifically acknowledges that in entering this Agreement, Program Manager relies solely upon the provisions contained in this Agreement and no others.

#### Article 18. Non-Assignment Of Agreement

In as much as this Agreement is intended to secure the specialized services of the Program Manager, Program Manager may not assign, transfer, delegate or sublet any interest therein without the prior written consent of District and any such assignment, transfer, delegation or sublease without the District's prior written consent shall be considered null and void.

#### Article 19. Law, Venue

- 19.1. This Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Agreement shall be determined and governed by the laws of the State of California.
- 19.2. The county in which the District administration office is located shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

#### Article 20. Alternative Dispute Resolution

- 20.1. Notwithstanding any disputes, claims or other disagreements between Program Manager and the District, Program Manager shall continue to provide and perform services hereunder pending a subsequent resolution of such disputes.
- 20.2. All claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. If this method proves unsuccessful, then all claims, disputes or controversies as stated above may be decided through arbitration, if agreed to by all Parties.

#### Article 21. Severability

If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

#### Article 22. Employment Status

- 22.1. Program Manager shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which the Program Manager performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by Program Manager shall be provided in a manner consistent with all applicable standards and regulations governing such Services.

District shall then forward those amounts to the relevant taxing authority.
- 22.4. Should a relevant taxing authority determine a liability for past services performed by Program Manager for District, upon notification of such fact by District, Program Manager shall promptly remit such amount due or arrange with District to have the amount due withheld from future payments to Program Manager under this Agreement (again, offsetting any amounts already paid by Program Manager which can be applied as a credit against such liability).
- 22.5. A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Program Manager shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Program Manager is an employee for any other purpose, then Program Manager agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Program Manager was not an employee.
- 22.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

#### Article 23. Warranty of Program Manager

23.3. Program Manager certifies that it is aware of the provisions of California Labor Code that require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects ("Prevailing Wage Laws"). Since the Program Manager is performing work as part of an applicable "public works" or "maintenance" project, and since the total compensation is \$1,000 or more, the Program Manager agrees to fully comply with and to require its sub-consultant(s) to fully comply with all applicable prevailing wage requirements of the California Labor Code. District may participate in State labor compliance monitoring by CMU. If District participates in State labor compliance monitoring by the CMU, Program Manager shall cooperate with the DIR and provide certified payroll reports as required.

- 27.2. Neither the District's review of, approval of, nor payment for any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Program Manager shall remain liable to the District in accordance with this Agreement for all damages to the District caused by Program Manager's failure to perform any of the Services furnished under this Agreement to the standard of care of the Program Manager for its Services, which shall be, at a minimum, the standard of care of Program Managers performing similar work for California public school districts at or around the same time and in or around the same geographic area of the District.
- 27.3. Each party warrants that it has had the opportunity to consult counsel and understands the terms of this Agreement and the consequences of executing it. In addition, each party acknowledges that the drafting of this Agreement was the product of negotiation, that no party is the author of this Agreement, and that this Agreement shall not be construed against any party as the drafter of the Agreement.
- 27.4. The individual executing this Agreement on behalf of the Program Manager warrants and represents that she/he is authorized to execute this Agreement and bind the Program Manager to all terms hereof.

## Variance Explanation:

## 6. Will this agreement create or increase deficit financing in the current or subsequent years?

"Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If a deficit is shown below, provide an explanation and any deficit reduction plan, as necessary.

General Fund Combined	Surplus/ (Deficit)	(Deficit) %	Deficit primarily due to:
Current FY Surplus/(Deficit) before settlement(s)?	\$ 618,561	1.0%	A STATE OF THE STA
Current FY Surplus/(Deficit) after settlement(s)?	\$ 330,776	0.5%	A Northern Company of the Company of

2nd Subsequent FY Surplus/(Deficit) after settlement(s)?	\$ (505,373)	(0.8%)	See Below

## Deficit Reduction Plan (as necessary):

The deficit is due to a one-time text book adoption of \$1.2 million in 14-15 along with the loss of our parcel tax revenue which is \$1.2 million ongoing. The loss of parcel tax revenue will be mitigated by the continued increase in funding through LCFF. No reduction plan is necessary.

## Were "Other Adjustments" amount(s) entered in the multiyear projections (pages 5a and 5b) for 1st and 2nd 7. Subsequent FY?

"Other Adjustments" could indicate that a budget reduction plan was/is being developed to address deficit spending and to rebuild reserves. Any amount shown below must have an explanation. If additional space is needed, attach a separate sheet or use Page 9a.

## 6. Will this agreement create or increase deficit financing in the current or subsequent years?

"Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If a deficit is shown below, provide an explanation and any deficit reduction plan, as necessary.

General Fund Combined	Surplus/ (Deficit)	(Deficit) %	Deficit primarily due to:
Current FY Surplus/(Deficit) before settlement(s)?	\$ 618,561	1.0%	
Current FY Surplus/(Deficit) after settlement(s)?	\$ 529,752	0.9%

2nd Subsequent FY Surplus/(Deficit) after settlement(s)?	\$ (306,399)	(0.5%)	See Below

## Deficit Reduction Plan (as necessary):

The deficit is due to a one-time text book adoption of \$1.2 million in 14-15 along with the loss of our parcel tax revenue which is \$1.2 million ongoing. The loss of parcel tax revenue will be mitigated by the continued increase in funding through LCFF. No reduction plan is necessary.

## Were "Other Adjustments" amount(s) entered in the multiyear projections (pages 5a and 5b) for 1st and 2nd 7. Subsequent FY?

"Other Adjustments" could indicate that a budget reduction plan was/is being developed to address deficit spending and to rebuild reserves. Any amount shown below must have an explanation. If additional space is needed, attach a separate sheet or use Page 9a.

## Variance Explanation:

## 6. Will this agreement create or increase deficit financing in the current or subsequent years?

"Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If a deficit is shown below, provide an explanation and any deficit reduction plan, as necessary.

	Surplus/		
General Fund Combined	(Deficit)	(Deficit) %	Deficit primarily due to:
Current FY Surplus/(Deficit) before settlement(s)?	\$ 618,561	1.0%	Application of the control of the co

2nd Subsequent FY Surplus/(Deficit) after settlement(s)?	\$ (281,346)	(0.4%)	See Below

## Deficit Reduction Plan (as necessary):

The deficit is due to a one-time text book adoption of \$1.2 million in 14-15 along with the loss of our parcel tax revenue which is \$1.2 million ongoing. The loss of parcel tax revenue will be mitigated by the continued increase in funding through LCFF. No reduction plan is necessary.

## Were "Other Adjustments" amount(s) entered in the multiyear projections (pages 5a and 5b) for 1st and 2nd 7. Subsequent FY?

"Other Adjustments" could indicate that a budget reduction plan was/is being developed to address deficit spending and to rebuild reserves. Any amount shown below must have an explanation. If additional space is needed, attach a separate sheet or use Page 9a.

## Public Disclosure of Proposed Collective Bargaining Agreement

Culver City Unified School District MACCS (Management)

Assumptions and Explanations (enter or attach documentation)

The District has a considerable amount of reserves built up over the past several years that are going to be reinvested along with the increase in LCFF funding into the salary schedules of the District. This increase will bring salary schedules particularly for MACCS unit members into the median salary range for Los Angeles County School Districts. This is in line with the District's goal of elevating the salary schedules across all bargaining units within the median of LA County School Districts to retain and hire the best employees available. Elevating the District's salary schedules is one of the District's top priorities. The District is continuing to cut costs where available, focus on spending down restricted dollars, and ensuring that the pupil to teacher ratios are well balanced.
