

VISITORS/OUTSIDERS

The Governing Board believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

(cf. 1240 - Volunteer Assistance)

(cf. 5020 - Parent Rights and Responsibilities)

(cf. 6020 - Parent Involvement)

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee. When a visit involves a conference with a teacher or principal, an appointment should be scheduled during non-instructional time.

(cf. 6116 – Classroom Interruptions)

For purposes of school safety and security, the principal or designee shall design for his/her site a visible means of identification for all individuals who are not students and staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission.

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. In accordance with Penal Code 626.7, the principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.
