**TUBERCULOSIS TEST SKIN TEST MANDATE REPORT FORM
(continued)**

INSTRUCTIONS

1. For each grade level, please enter the number of students tested who satisfied the requirements above.
2. A box may be left blank if there were no students tested or no students satisfied the requirements.
3. If your school uses age groups instead of grade, estimate the grade level based on the age.
4. Please return this form even if no students were tested.
5. Please forward to your Health Coordinator:
