

Students**BP 5145.6 (a)****PARENTAL NOTIFICATIONS**

The Governing Board recognizes that notifications are essential to effective communication between the school and the home. The Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights, and any other notifications he/she believes will promote parental understanding and involvement.

(cf. 5020 - Parent Rights and Responsibilities)

(cf. 5022 - Student and Family Privacy Rights)

(cf. 5124 - Communication with Parents/Guardians)

(cf. 6020 - Parent Involvement)

The Superintendent or designee shall ensure that notifications which must be sent at the beginning of each academic year include a request that the parent/guardian sign the notice and return it to the school. (Education Code 48982)

Notifications to parents/guardians shall be written both in English and in the family's primary language when so required by law. Whenever an employee learns that a student's parent/guardian is for any reason unable to understand the district's printed notification, the principal or designee shall work with the parent/guardian to establish other appropriate means of communication.

(cf. 6174 - Education for English Language Learners)
