## CONCEPTS AND ROLES

The Governing Board desires to provide a rich, research-based curriculum that motivates every student to succeed. The Board shall adopt instructional goals and objectives which reflect the district's philosophy and delineate the skills, knowledge and abilities students will need in order to lead successful, productive lives.

*(cf 0100- Philosophy  
cf 0200 -Goals for the School District)*

In order to offer a curriculum that enables students to meet these goals, the Board shall establish curriculum priorities and guidelines for the district that address the alignment of the written, taught and tested curriculum. These priorities shall be based on student needs as determined by demographics, data related to student achievement within the district, and the recommendations of staff, parents/guardians and community members.

The Superintendent or designee shall establish a curriculum development process which provides for the ongoing development, review and evaluation of the district's curriculum in keeping with these priorities.

The Board shall:

1. Establish expected standards of student achievement for each grade level
2. Approve the curriculum development process
3. Adopt the district curriculum and courses of study to be offered

*(cf 6143- Courses of Study)*

4. Approve and allocate funds for instructional materials and resources

*(cf 3J00c- Budget) ,  
cf 6J6J -Equipment, Books and Materials)
