

## Student Board Members

In order to enhance communication and collaboration between the Governing Board and the student body and to teach students the importance of civic involvement, the Board supports the participation of high school students in district governance.

Student Board members may, at the Board's discretion, receive elective course credit for service as a student Board member based on the number of equivalent daily instructional minutes for the student Board member's services provided. (Education Code 35012, 35120)

Student Board member(s) shall be entitled to be reimbursed for mileage to the same extent as other members of the Board, but shall not receive monetary compensation for attendance at Board meetings. (Education Code 35012)

A student Board member shall not be liable for any acts of the Board. (Education Code 35012)

## Selection and Term

The student Board representative will be the CCHS ASB Vice President and the CCMS President and/or Vice President. There will also be a Student Board Member At-Large who will be selected in collaboration between the governing School Board members, and the Culver City High School student body. The governing School Board members will select the top three candidates and base their votes on the review of applications turned in by Student Board candidates. The Culver City High School student body will vote for one of the three finalists to be their Student Board Member At-Large. In an attempt to provide a differing perspective, the Student Board Member At-Large cannot be a member of the Culver City High School ASB. They must serve on the Superintendent's Advisory Council and be a Culver City High School Junior or Senior when they serve their one-year term. The term of the student Board member(s) shall be one year, commencing on July 1. (Education Code 35012)

## Role and Responsibilities of Student Board Members

Student Board members shall not be considered members of a legislative body for purposes of the Brown Act. (Education Code 35012)

## Student Board Members

A student Board member shall not be counted in determining whether a quorum of the Board is in attendance.

Student Board members shall co-chair the Superintendent and Student Board Representative Advisory Council.

## Student Board Member Training

The Superintendent or designee may, at district expense, provide learning opportunities to student Board members through trainings, workshops, and conferences, such as those offered by the California School Boards Association and other organizations, to enhance their knowledge, understanding, and performance of leadership skills and their Board responsibilities.

The Superintendent or designee may periodically provide information to student Board member candidates to give them an understanding of the position. Once elected or appointed, incoming student Board members shall be provided an orientation designed to build knowledge of the district and an understanding of the responsibilities and expectations of the position.

## Alternate Student Board Member

If the Board determines that the student Board member's duties are not being fulfilled, the Board may appoint another student to serve as an alternate student Board member. If an alternate student Board member is appointed, the Board shall suspend the prior student Board member's rights and privileges related to service on the Board. (Education Code 35012)

## Elimination of Position

Once established, the student Board member position shall continue to exist until the Board, by majority vote of all voting Board members, approves a motion to eliminate the position. Such a motion shall be listed as a public agenda item for a Board meeting prior to the motion being voted upon. (Education Code 35012)
